Why Not Try the 17c-a-Day Plan

The beauty of The Oliver Typewriter 17-Cents-a-Day Plan is that it works out satisfactorily for everybody concerned.

This plan ties up a very large sum of the company's money in typewriters sold on time.

But we have an abundance of capital. We are glad to use our resources to bring this great business aid within easy reach of all who have use for typewriters. Thousands tell us that they bought their Oliver Typewriters without noticing the outlay.

Here's the way the plan works: You make a small first payment and get the machine at once. Then save 17 Cents a Day and pay monthly, exactly the same as rent.

When you complete the payments, the typewriter is yours forever. And you pay only the list price.

The OLIVER Typewriter

The Standard Visible Writer

is a salary-raiser, an income-producer, an aid to personal efficiency.

Oliver Typewriters are earning millions of Dollars for their operators and owners.

They are helping hosts of ambitious young people to achieve successful business careers.

They are helping the small business to grow big and the big business to grow bigger.

They are trade-builders as well as revenue-producers and efficiency makers.

The newest and best Model Typewriter is sold on this popular plan. There is no extra charge for the famous PRINTYPE OLIVER—the only typewriter that prints print. Printype is conceded to be the greatest typewriter improvement of the century.

More than 15000 Local Agents in the United States and Canada are making money selling Oliver Typewriters. This is proof positive of Oliver merit and Oliver popularity.

Write for particulars of the 17-Cents-a-Day Plan. Ask for specimen of Printype.
